Recommended Motion:

That the Planning Board resolves to recommend that the City Council adopt the *Our Missoula 2045 Land Use Plan* and Place Type Map (Attachment 2 and Exhibit A) as Missoula's new governing land use plan, based on the information and considerations in the staff report. Through this action, the City of Missoula is repealing the *Our Missoula City Growth Policy 2035*, the associated Future Land Use Map, and repealing all existing neighborhood plans developed prior to the adoption of the 2045 Land Use Plan, except the *2023 Missoula Midtown Master Plan*, the *2020 Sxwtpqyen Master Plan*, and the *2019 Missoula Downtown Master Plan*, which shall remain effective and controlling and adopted as Area Plans under the 2045 Land Use Plan
